1 Introduction

These Release Notes provide an overview of Report Builder 7.0.3, including new features, delivery information, and supported platforms. OpenText recommends that you read these Release Notes in conjunction with the documentation included with the software package. If any conflicts exist, the Release Notes supersede the other documentation.

We also recommend that you check OpenText My Support (<https://support.opentext.com>) for any patches or documentation updates that may have been posted after the initial release of this product.

1.1 Release Notes revision history

Revision date	Sections revised	Description of revisions
2017-09-14	First release.	All new content.

2 About Report Builder

This section provides an overview of Report Builder 7.0.3.
